We regret that we have been unable to locate any record of having taken a special photograph of the base of Commission Exhibit 399 for Mr. Harold Weisberg. In connection with a similar request from another researcher, Mr. Weisberg has sent us an electrostatic copy of the photograph to which you refer. We have identified the photograph as one which we took for Dr. John Nichols.

We can furnish 8" x 10" glossy prints of photographs, including the two which you request, for \$1.25 each. To order reproductions please send a check or money order payable to the General Services Administration (NND) and addressed to the attention of the Cashier, National Archives and Records Service, Washington, D. C. 20408.

Sincerely,

MARK G. ECKHOFF
Director
Legislative, Judicial and
Diplomatic Records Division
