

Jack Bronstein (now working for time for all  
Week at Michael's Hall)

met at Crake Cafe, 724 Bowdoin St, where she  
with Larry Bronstein + Jack was eating night  
12/14/68, about 11 p.m.

Jay KT has married recently now

Bronstein's trip up with Jerome Hark when she  
left Thursday, who phoned her mother to  
complain of the mother's name had been  
living with her!

We chatted a little while about KT. I told Bernie I  
had heard KT phoned & saw me + that I look forward  
to it. I also told him such a suit would make  
sense what otherwise might not be possible. He  
admitted there is a small, locally organized  
group of 16 T.O. parents in N.Y., of which he +  
Bernie Goldsmith are members.

Bernie + Mike Turner took up when Bernie  
went to N.Y. on a visit and just stayed every now  
then on his return.

At the time of the assassination Jack was working  
for an Oklahoma newspaper; he did not say which. He  
had, before then, lived in New Orleans.

Jack now has a short, square spade beard + a  
mustache.

Said he knew KT helped Barbara build a radio altar for  
TV show + laughed when he said it.

now wears short spade beard + mustache

Jack Bourne told me  
11/14/68, p.m. in Creek  
Cafe, 724 Bourbon St.,  
that he had taken up  
with Jennie Hark after  
she left Kenny. He said  
that KT had phoned her  
mother to complain,  
telling the mother she  
had been living with  
him.
