Dear Jim,

Your 10/5 letter to Gay Rivet (Mrs. Edward Beane) Tutler is excellent.

With one possible exception: if you indicated those to whom you were sending copies of the original, which I do not assume.

Who, by the way, is Rev. Charles Holland? A trusted Long Beach friend?

It is also an excellent recap.

It is true that the Int. ex-American press has had no more copies of Jim's speech. In fact, they have only the file copy of the entire 1965 proceedings. They have told me I can see their file copy, but I've never had time, nor have I been able to pay for a xerox, so I've not asked it. That is not the only probable major development of it.

For purposes of my own work, I am far past that point. But if you really want a copy (and the British may have printed the entire text), I'll try and find time to get it for you. I have another possible source.

My greater interest is in the better presentation of what Sergio Warbo said then.

Thanks,
