Dear Mr. Cheslock,

I've already found use for what Posner said on CNN and I found that Hertzga^d bit fascinating. I was enormously impressed by his On Bended Knee.

Please thank Ed for thinking of it and I'll appreciate any other such transcripts you have. I've not time to get them because I'm staying too busy writing.

Anything in which Posner appears verbatim can be useful. His is the most intendedly and thoroughly dishonest book yet.. The quotes enable me to document his lying more and better.

While I do not plan to use them in writing I'm interested in Marina's appearance and her daughter June's, I think both on NBC.

I have Posner with Rosenko on 20/20. Very useful.

On the CNN you sent he admitted having what he ~~was~~ suppressed from his book.

Thanks, best wishes to you both,

Harold May
