Dear Miss Cronk,

Thank you for your thoughtful letter of July 25 and your kind comments.

Because of what you say, I think when you come to part 2 of the book you will find your intuition more than substantiated. You will, I believe, agree when you have finished the book that Lee Harvey Oswald, according to the Commission's best evidence, killed nobody.

To save you time and trouble, we are enclosing a copy of WHITEWASH. The book is \$4.95 and postage is 10¢, total \$5.05. We have had many letters from your area reporting the bookstores do not have WHITEWASH. However, it is readily available to them not only through us, but from the major wholesalers with whom they regularly do business. Should any of your friends want copies, we, of course, will be glad to mail them, but the bookstores can, in the normal conduct of their business, readily get and stock it.

Sincerely,

Harold Weisberg

Dear Mr. Weisberg,

I'm writing
to you regarding your book which
was discussed on the Alon Burke
show. I thank you for having the
interest and for being enough
to write it. I have inquired
at the only local book store here
but they do not have the book
and I would like to purchase
it. Will you kindly let me know
the price and cost of shipping
it to my home and I will send
you my check. I was one of
those persons who at the time
of the loss of our president had
doubts that Lee Harvey Oswald

was the person who had done it. Neither could I accept or understand the apparent negligence and indifference on the part of the Dallas police force.

The government may have felt the need of keeping things from the people so as not to have disturbances in our own borders, but if that was the case I think they made a wrong decision. We should know what persons or groups here to be on guard against, if that was the case.

Yours truly
(Miss) Virginia Cronk
