Dear Mr. Crow,

Thanks for your letter. I do appreciate it.

At least 75% of what I write was cut out of Case Open. In the part that was cut I went into Poner's fabrications taken from the work of Failure Analysis, which was also faulty, with the official evidence

Using his contrived prosecution case as a defense lawyer would have I used that official evidence to exculpate Oswald.

I first addressed Officer Baker in Whitewash.

I've been told that ~~NEVER AGAIN!~~ is not to appear in April.

Again thanks,

Dear Mr. Weisberg:

Hello, my name is John Crow. We spoke on the phone last week. I work at Tufts University in Boston, Massachusetts. I enjoyed reading Case Open. I had heard of your reputation but this was the ~~best~~^{best} book of yours that I have read. I think that you did an outstanding job of disputing Mr. Posner. Being a former surveyor who is trained in the use of coordinate geometry - I was highly skeptical of the graphics that Mr. Posner presented. I am not convinced that any evidence exists or can be extrapolated that can pinpoint the bullet trajectories as accurately as Posner pretended to do.

I especially enjoyed reading about Officer Baker in Case Open. Many other books do not *stress* this incident. If I were a defense attorney, I think that I could get an acquittal for Oswald on this one point alone. How could a prosecution convince a jury that Oswald was in the lunchroom having a Coke within 1.5 minutes of the last shot? Imagine if it could be proved that he entered the lunchroom from the first floor as you explained on the telephone!

I think that you have done an outstanding service for history. Hopefully, your efforts will be praised by future generations of Americans seeking the truth. What a sad and tragic day November 22, 1963 was. A disastrous course for America was plotted by the people responsible for the **assassination**.

I'd like to order Whitewash, Whitewash II, Whitewash IV and Post Mortem. I enclose a Money Order in the amount of \$54.50. Thank you and God bless. I feel honored having had the pleasure to speak with you.

Sincerely,

John W. Crow
