Nuclear war did not happen in 1984. This means Jesus can not be returning in 1988. I was wrong. God is merciful! He could have let a nuclear war happen.

The forty years testing of Israel in the wilderness under Moses and the forty years under Solomon will be repeated. I placed the $3\frac{1}{2}$ years of the Beast (the Roman Empire of Rev. 13:1-7) within this 40 year period; the last $3\frac{1}{2}$ years of the 40 years. The obvious logical conclusion is these $3\frac{1}{2}$ years immediately follow the 40 years, making Jesus' return sometime in 1991-1992. (The Scofield Bible implies 1996, claiming creation in 4004 BC.)

There has to be a $3\frac{1}{2}$ year period for the Beast to reign soon after World War III - Rev. 6:8; Rev. 11:2-3; Rev. 13:5; a 42 month (1260 days) period followed by a month in which the Beast "surrenders" to the Oriental army and the final plagues of the Lord are poured out upon the earth - Rev. 9:14-21; Daniel 11:44-45; Rev. 16 (the last month) and Dan. 12:11. The 45 days of Dan. 12:12 is after Jesus returns on the Feast of Trumpets. Thus 1260 days (Rev. 11:3) and 30 days (Dan. 12:11) and 45 days after Jesus returns equals 1335 days (Dan. 12:12). The earth will be cleansed in that 45 days of all rebellion and keep the Feast of Tabernacles, Zech. 14:4, 16.

Too many people confuse World War III with the return of Jesus. There is more than $3\frac{1}{2}$ years separating the two events. The Oriental army is destroyed by fire and brimstone not nuclear weapons, Rev. 19:11-15, 21; Rev. 14:20; Zech. 14:12; Ezekiel 39:1-19. The Roman army shall be burned also. Joel 3:2, 12-14.

Jesus' return ends the 6000 years of man's rule and begins His 1000 year Kingdom over man - Rev. 20:1-8. The genealogy of Gen. 5 and 11 adds up to 4113 BC as creation, but the Hebrew text will clarify. Study the Bible. In Jesus' Name, Clifford Catton

Correspondents, I've complained to postal authorities every year since 1983 except 1988. In 1986, the postmaster and three supervisors were forced to retire early. As far as I know, no one was remunerated for stolen mail; no one has gone to prison for this thievery and conspiracy. Register your letter and keep a copy for your file. Consider my signature permission to publish any enclosed materials except booklets, books and manuscripts at current market rate.

AMERICAN JUSTICE FAILS!!

The first successful violent coup in America this century changed the ruling government from Kennedy to Johnson. Three government employees died in the coup - Kennedy, President; Tippit, police officer; Oswald, CIA operative. Connolly, governor, was seriously wounded but recovered; a Secret Service agent was alleged to have been killed also. None of the conspirators were brought to trial (Oswald was not one). Most of the conspirators and witnesses are dead. The truth is alive.

The evidence is readily available - in the Commission Report of 1978, the House Assassination Report of 1978-1979; in the archives; in the files of government agencies; and in the private files of the Kennedys, authors on the assassination, former government employees, and the news media. The extensive pictures; the autopsy X-rays and pictures; and the clear testimony of witnesses and documents proclaim the guilt of the Mafia, the vice presidency, the news media, the CIA and FBI, and millionaire businessmen.

The truth was suppressed by all concerned because it touched their fibre of immortality. The nation's shame was laid bare; courage to confess quit and to stand for the truth fled. It was easier to come dwell in darkness than to come to the light. Another generation could tell the truth - so the archives and private files were sealed up.

The bibliography in this booklet is what I've read on this subject or, where noted (R), are references. All these books are available at one or more local libraries in your area; ask.

Kennedy was killed out of vengeance, and hate for the truth, contrary to the laws of God and America. Let us live the truth, we who believe, for the sake of our own souls and America. Justice can be successful thru faith and works, only; the past can be corrected so history reads the truth.

Assassination of John Fitzgerald Kennedy
 Clifford Cotton @1985 Oct. 31, 1985

President Kennedy came to symbolize that moment of change, not because he caused it but because he fitted into it; not because of what he did but simply because of what he was? Introduction by Bruce Cotton to *Four Days @ W.F.I.* 1964.

Kennedy was a politician. He wasn't a deeply honest man, but he did start a movement that would have cleansed America somewhat. Diem died the same month as Kennedy, and the Bay of Pigs was in 1961. There are honest ways to deal with criminals, and Kennedy used them only half the time. There certainly is no honesty in adultery; and the dirt is that he hurt America by doing it. Kennedy gave the people hope - a hope focused on himself. America needs the hope of God to change; America needs to repent to God.

As Bruce Cotton said, events fit into place - including the tragedy of his murder. The Mafia and the military working with or for some millionaires pulled off a coup better than *Seven Days in May* (a best-selling book of the early 1960s, ©1962), and attempted a cover-up by the Commission. The amazing thing is the public accepted the opinion lies of the Commission as fact intimidated by their own fear of themselves - their own power. The detours, digging for bullets with threats from the Secret Service, attempted to cover up; at the press conference, an hour and 18 minutes later, they threw away their chance to speak - about the back wound - about the bullets - about the threats. Americans love to talk courage, but hate the truth. To live the truth doesn't take courage; it takes love. It is time to try those conspirators for Kennedy's murder.
