

# Assassination of John Fitzgerald Kennedy

Clifford Catton ©1985

Oct. 31, 1985

"President Kennedy came to symbolize that moment of change, not because he caused it but because he fitted into it; not because of what he did but simply because of what he was." Introduction by Bruce Catton to Four Days, ©UPI 1964.

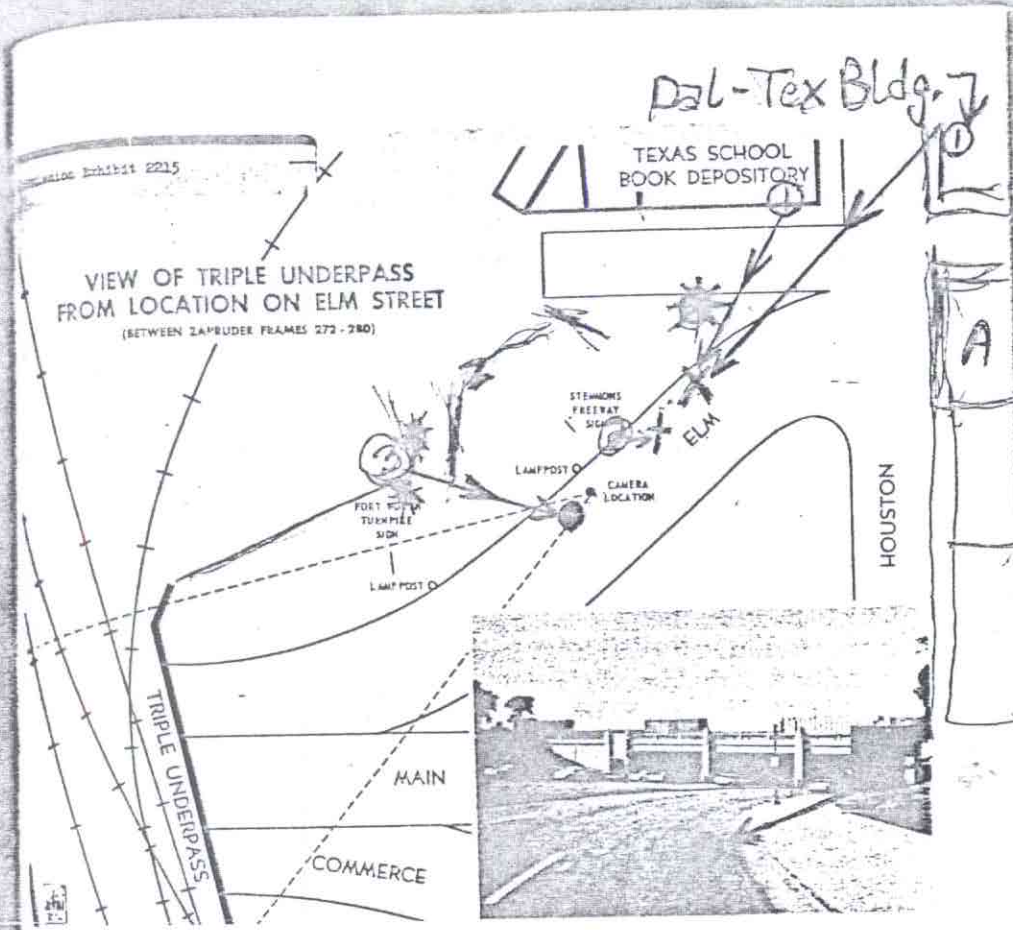

Kennedy was a politician. He wasn't a deeply honest man, but he did start a movement that would have cleansed America somewhat. Diem died the same month as Kennedy, and the Bay of Pigs was in 1961. There are honest ways to deal with criminals, and Kennedy used them only half the time. There certainly is no honesty in adultery; and the dirt is that he hurt America by doing it. Kennedy gave the people hope - a hope focused on himself. America needs the hope of God to change; America needs to repent to God.

As Bruce Catton said, events fit into place - including the tragedy of his murder. The Mafia and the military working with or for some millionaires pulled off a coup better than Seven Days in May (a best selling book of the early 1960s, ©1962), and attempted a cover-up by the Commission.

The amazing thing is the public accepted the obvious lies of the Commission as fact intimidated by their own fear of themselves - their own power. The doctors, digging for bullets with threats from the Secret Service, attempted to cover up; at the press conference, an hour and 18 minutes later, they threw away their chance to speak - about the back wound - about the bullets - about the threats. Americans love to talk courage, but hate the truth. To live the truth doesn't take courage; it takes love.

It is time to try those conspirators for Kennedy's murder.

HE WAS WRONG,  
THE WORLD DID NOT END

Woodstock, NY

To the Editors:

In 1982, 1983 or 1984 I prophesied to your readers that nuclear war would occur in 1984. Whether

my will or the Lord's inspired ~~words~~ words can only be judged by God. Deut. 18:22 reveals how God said we should discern, "... if the [prophecy]... come [not] to pass... the Lord hath not spoken..." I was wrong; I'm sorry. God is merciful and has answered people's prayers. Nuclear war did not happen in 1984. But nuclear war is a certainty! God has said that after 6000 years from Adam's creation, His son Jesus would rule all the earth for 1000 years—Rev. 20:1-7; Psalm 90:4, II Peter 3:8. From the Bible (Gen. 5; Gen. 11:10-26) I determined 4013 BC as the year Adam was created. The 6000 years would end in 1988 AD, October.

For the Roman Empire to rule 3½ years, nuclear war would have to happen before April 1985. Daniel 9:24-27 indicates 490 days before Jesus returns a decree is made to rebuild Jerusalem. I placed this period before the 3½-year rule of The Beast; this period is at the end of his rule. Also the assurance of Rev. 11:1-3, the building of the Temple by the Jews, I thought was 483 days; I was mistaken. It could be done in a month. II Thess. 2:3-4 must take place before the Beast—the Roman Empire—rules.

The Church never punished false prophecy by stoning; it never will. "And the gospel must first be published among all nations." Mark 13:10. This has been done—the Bible (America's #1 best seller). During the dark ages when the Roman Church ruled Europe, people were put to death for trying to publish the Bible. The gospel is published, "... and then shall the end come." Matt. 24:14. Let God's will and mercy be done. Amen. In Jesus' Enc. "The End."

Jesus says it is sin—Luke 16:18—adultery! WWCG says the feasts (Lev. 23) are to be kept according to the Jewish calendar. God says according to his lunar calendar—"... from one new moon to another..." Isa. 66:23; Exodus 19:1 "In the third month (or moon)..." I Samuel 20:5, 27, 34. The New Moon, which begins when there is no light from the moon in the sky, is the first day of each month. (A lunar year consists of 12 months or moons of 30 days each, equaling 360 days.) WWCG kept Passover (the day Christ was crucified) April 6 when April 3, 1985 was the correct day (14<sup>th</sup> day from the New Moon—Exodus 12:1-10; Lev. 23:5). Mr. Armstrong also said ~~Passover~~ Pentecost was always on a Monday when it is always on a Sunday. When Mr. Armstrong repented, he

On Pentecost, 1445 BC, God (the personage who later became Jesus Christ) descended to Mt. Sinai and thundered the Law (beginning with the royal Law—the Ten Commandments) down to the ~~ten~~ twelve tribes of Israel below. Israel had been blinded to this law because she was in bondage to Egypt, Gen. 15:13; Ex. 1:8-14; 12:40-42. Adam was taught this law; so was Noah. But Israel was lost in seven days a week of work with no rest. These Commandments are in force today. Matt. 15:3-9; John 14:15, 21; Matt. 6:17-18.

The Worldwide Church of God (WWCG) claims to be God's only true church. But WWCG fails to keep the Ten Commandments and God's feasts. Mr. Armstrong brazenly proclaims his marriage to and lust for Ramona Martin (a divorcee) righteous, when

accused God by calling it a mistranslation.  
Worldwide News, July 13, 1981. Religion deceives -  
truth and error are mixed together. Adultery, lying  
and stealing are encouraged. Only 60% truth is preached by WNCG; 30%  
preached by example. The eternal "human spirit" Armstrong invented is  
a more subtle teaching than man's immortal soul falsehood; it is a  
creation of Armstrong and Satan. Man is inspired by either God's mind  
or Satan's. When the man is dead, his body and brain decomposes.  
There is no immortal soul or "human spirit" that goes to heaven.  
God's Spirit goes where God wills; Satan's spirits (demons) go where  
he wills. "Human spirit" is character inspired by God or by Satan. Eccl.  
3:19-20; Psalm 115:17; Isa. 38:18-19; Acts 2:29-34.

When I realize I'm wrong, I confess my error. (See reverse -  
letter in Woodstock Times Jan. 31, 1985.) Most ministers of this world  
do not confess their deep sins to their congregations unless they  
have no choice. Even when caught, they most often refuse to confess.  
The Jews are guilty of keeping the feasts wrong, also, as is WNCG.  
Passover and Unleavened Bread are to be kept seven days - Deut. 16:1-8.  
The Jews make the 15<sup>th</sup> a sabbath, according to their traditions, making  
Abib 21 an eighth day to this feast. Exodus 12:15, 18 is clear - "...  
until the [21<sup>st</sup> day] at even." Since even or evening begins the day  
(Gen. 1:5), the 21<sup>st</sup> is not part of this feast (Lev. 23:5-8) correctly -  
interpreting the Scripture's meaning that Passover (the 14<sup>th</sup>) and the  
20<sup>th</sup> are Sabbaths beginning and ending this seven day feast - Num.  
28:16-18, 25. The Jews are wrong! Christians are right. Religions deceive  
you. The so-called Christian world is not Christian! They exalt the  
first day of the week as the Sabbath instead of Saturday which God  
created as the rest day - Gen. 2:2-3; Ex. 20:8-11; Deut. 5:12-15.

God gave man 6000 years to rule the world his way; Jesus will  
rule the world 1000 years God's way (the seventh day rest - sabbath).

Finished! - FREE booklet by Clifford Catton, P.O. Box 2057, Kingston, NY
