

ms Weisberg:

What do you think of  
the recent developments  
on the case (the airing of  
the Zapruder film,  
Mr. O'Neil's analysis of  
Oswald's vocal stress)?

Also, do you know  
anything about the  
Committee to Investigate  
assassinations, or the  
Who Killed Kennedy  
Committee?

Love truly,  
Alvin Bellender  
(P.S. please send me  
another order form.)
