Dear Mr. Leiser:

This is in response to your Freedom of Information Act request dated September 5, 1975.

The information you request is exempt from disclosure pursuant to the provisions of Title 5, United States Code, Section 552 (b) (7) (A) and (B). These cited subsections relate respectively to investigatory records compiled for law enforcement purposes, the disclosure of which would interfere with enforcement proceedings; and information, the disclosure of which would deprive a person of a right to a fair trial or an impartial adjudication. These particular exemptions are cited since the case involving James Earl Ray is currently on appeal in the 6th Circuit Court of Appeals.

Dear Director Kelley:

September 5, 1975

Acting under the Freedom of Information Act, I request access to the following FBI documents relating to the assassination of Martin Luther King, Jr. in Memphis, Tennessee, April 4, 1968:

1. Bullet comparison photomicrographs of the evidence bullet and the test bullets made by your ballistics expert, Mr. Robert A. Frazier.
2. Results of laboratory examinations of the evidence bullet.
3. Results of the microscopic examination of the windowsill in the bathroom at 422½ Main Street, Memphis, from which the murder weapon was allegedly fired.
4. Photographic enlargements of the dent in the window-sill and of that part of the rifle which allegedly caused the dent.

I have seen your letter to my colleague, Mr. Haley, in response to his request in the matter of George Wallace and realize you are snowed under with FOIA requests. However, I would appreciate your expediting this as much as possible. Our program is scheduled for broadcast this fall.

Sincerely,

*Ernest S. Leiser*
