"Why doesn't America believe the Women's
Should it - Mark Lane - E. J. Connelley" He said
The 2 volumes of maps - "ated" is all - he didn't
It why or how - or use - from.
Hester - "We have shown who had no connection
with government"

"The Commission used its independent
judgment" - Hester - not staff.

FBI, J. Edgar Hoover, who was not there
represented it. Neither it nor SS
wanted bullet.

In expressing its own doubts, CBS had
what I had earlier stated - it was when
They used Ed, Lane, & Mary, Connelley - but
that I had no witness part, but later
The one who supported her testimony
what they use Ed, O used part, or
out of part, or course of bullet.
The "Re-examine" began, in interviewing
Hester again.

42) "Melting" "detested" books

The surprising thing is how little Melly knew, the stuffs in which he talks - what is important to him is that these members should appear - with the sofa, sitting in the window, trotting up & down the stairs, anything but checking in the lobby with one, or looking for evidence.

The conclusion by Compton & others - ~~at all~~, unimportant in that to them are by any knowledge is a demonstration of those who just don't question this little part, there has to be something wrong with those who know, say those who do not know.

"Long question usually to be found in the report itself" - This is false & is what CBS looked at & wrote, but not a part of it and the.
