Man Who Died in Fall Said to Be CIA Agent

By Michael Getler 9/20/75 Washington Post Staff Writer

BONN, Sept. 19-A 41-year the strains and secrecy to old American who fell to his their lives, probably have a death from a 14th floor apart- higher suicide rate than other ment in Munich yesterday was occupations. working for theCetral Itelligence Agency, according to informed sources.

Though officially listed as a civilian employee of the De. lice found the key in the dead partment of Defense, the dead man's pocket, tending to the man, Robert Wood, was in fact working for the CIA at the time of his death and was assigned to the O fice of the Coordinator and Adviser at the keys so that another person U.S. Cosulate in Muncih, the could have locked the door. sources said.

Wood, from Baltimore, apparently feel from the balcony of an apartment that was rented to another American known as Paul Alanto.

Alanto, the sources said, is acivilian employee of the U.S

Married and thefather of three children, Wood lved in another part of Munich.

According to news service reports from Munich. West German police investigators, said that Wood probably committed suicide. An autopsy reportedly showed that he died from the impact of the fall and was not drugged or attacked first. The cir

circumstances hindthe death remainsomewhat mysterious.

One source said Wood had appeared to be very depressed recently. Another suggested that CIA agents, because o

Reuter news agency ported from Munich that the front door of the apartment had been locked and that podents were provided withtwo

Reuter also reported tha the telephone operator at the apartments said a man with a strong Slavic accent telephoed an hour before the fall and asked tospeak to Wood.Since his name was not on the resident list, she told the caller she did not know him.
