

orchestrated leak - too many jobs + he knew right ones to go to write book
Helm's speech to Clinton: Don't forget on American in U.S. ^{speech to him}

Spyming goes back to 1950s

Malfeasance, misfeasance, non-feasance - negligence

FBI had to know what Clinton was doing. Only part case of negligence of
who got this story going. In FBI official - support - printed
NBC at rally or certain park - hoped to celebrate for which used nothing
completion another hunt mentality - source RTB

Inquiry for "Find out what is this guy doing?" 6/15/15, what is by showing
has had Domestic Operations Division
D.S. should investigate him with FBI already - law violated "no role at all"? Ford
Kissinger - investigate self - Ford knows what his mean.
