

Mexico or did this additional information get in the message only after it reached Washington and the information was being disseminated to the various agencies.

As you know, we are still trying to get an explanation of the photograph which the FBI showed Marguerite Oswald soon after the assassination. I hope that paragraph 4 of the memorandum of March 24, 1964 sent Mr. Rankin by the CIA is not the answer which the CIA intends to give us as to this inquiry.

We should also determine why the Navy never furnished the CIA with copies of the most recent photographs of Oswald.

(008) Internal Memo in re passage to
Waver. Commission of Agency material
previously given to Secret Service
We have a problem here for your determination.

This is responsive to paragraph 3 of Rankin's letter (see reference tab). JA does not desire to respond directly to paragraph 2 of that letter which made a levy for our material which had gotten into the hands of the Secret Service since 23 November. We found that, except for three telegrams, all that the Secret Service had was material we had sent to McGeorge Bundy at the White House. Apparently, he had simply passed it to the Secret Service as a matter of internal information.

Unless you feel otherwise, (*) would prefer to wait out the Commission on the matter covered by paragraph 2. If they come back on the point he feels that you, or someone from here, should be prepared to go over to show the Commission the materials rather than pass them to them in copy. Incidentally, none of these items are of new substantive interest. We have either passed the material in substance to the Commission in response to earlier levies, or the items refer to aborted leads, for example, the famous six photographs which were not of Oswald, and the passenger manifest on an airline which also did not pertain to Oswald.

If you desire to take note of the levy in paragraph 2, we would recommend that you indicate in the attached proposed memorandum solely that we will take care of it separately.

THE SOURCE DOES NOT HAVE NEARLY SUFFICIENT OF HIS RECENT OSWALD OR HIS ACTIVITIES BUT WAS ABLE TO PROVIDE ITEMS OF INTEREST ON CUBAN INTELLIGENCE OFFICERS ASSIGNED TO THE DIRECTOR GENERAL DE INVESTIGACIONES (THE INFORMATION APPEARING BELOW WAS FURNISHED BY THE SOURCE AND IS BEING TO QUESTION SUBMITTED BY

1. Prior to October 1963, OSWALD visited the Cuban Embassy in Mexico City on two or three occasions. Before, during and after these visits, OSWALD was in contact with the DIRECTOR GENERAL DE INVESTIGACIONES (DGI), specifically with Julia CLIMBERG, Manuel VERA FERRA and Rogelio SOLER LOPES.

VERA whose Cuban intelligence pseudonym is YAGRON is the current Cuban IS chief in Mexico. He recently has had a tour of duty in Urbana, prior to which he held the same post as now as Cuban IS chief in Mexico.

RODRIGUEZ is a Cuban IS staff officer in Mexico. He has three Cuban intelligence pseudonyms, ENRIQUETA, CASALDO and JOSE ALONSO.

The precise relationship of Julia CLIMBERG to the DGI is not clear. She spent about six months in Mexico free which she returned to Cuba early in 1961.

OSWALD: [redacted] has the following references concerning Julia CALDERON Carralero: She was assigned to the consular office of the Cuban Embassy in Mexico City, and she had arrived in Mexico on 16 January 1963 and on 11 December 1963 made a reservation to return to Cuba on Cuban Airlines Havana on 15 December 1963 using passport 2/63/71. She left Mexico City for [redacted] said that her date of arrival in Mexico was 19 January 1963 and that she had replaced Rosario VAZQUEZ, a Mexican secretary in the consular office. Other references apparently concerning the subject are [redacted] which do not appear to add anything of interest to that given above.

MEMORANDUM

March 26, 1964

SUBJECT: Mexico - CIA Dissemination of Information on
Lee Harvey Oswald on March 24, 1964.

The CIA directed a memorandum to J. Lee Rankin
(Commission Document No. 631) in which it set forth the
dissemination of the information on Lee Harvey Oswald. I
realize that this memorandum is only a partial answer to
our inquiry to the CIA dated March 15, 1964 and I hope that
the complete answers will give us additional information we
requested.

We would like to know just when
I got the information with respect to Lee Harvey Oswald
and what was the information and how was it obtained. How
did the information get from Mexico to the CIA in Washington,
and in what form did it come?

At what point was the information that the Lee
Harvey Oswald was probably the Lee Harvey Oswald who had
defected and was married to a Russian developed so that when
the telegram went from the CIA in Washington to the various
agencies it contained such information. In other words, I
would like to know whether this was information available in
