Dear Sir : -

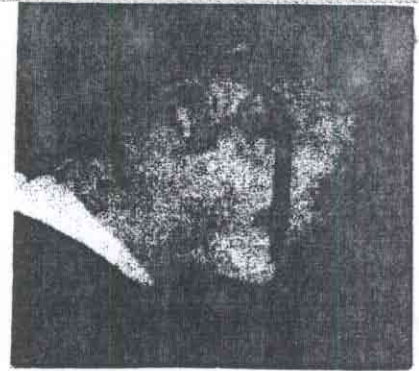

I acknowledge receipt of your letter dated the 3/29/70 informing me that you are going to send me more information about Lucy M. Cain, expecting it will be soon, so it will save time to get through with this investigation.

I am enclosing more pictures of Richard S. Cain, with his finger prints taken by the FBI, that will be very useful for you. Cain, when in Mexico City, brought a "Lies Detector" and used to call people to train them in this subject. It was located in the streets of Salamanca and Sinaloa, but it had to be closed when Cain was deported from Mexico.

... of Tuxtla Gutierrez, Chiapas, where Capt. ... he had some activities in that place. I wrote to a friend of mine that belongs to the Police, named Ernesto Abreu Gómez, inquiring about Cain; but he has not answered me.

Yours very truly.

Silvestre Fernandez Cervantes
SILVESTRE FERNANDEZ CERVANTES.
