Dear Mr. Rankin:

Reference is made to my letter to you dated February 11, 1964, advising that the FBI Laboratory had determined that the AnSCO flash equipment recovered in this investigation does not fit any of Lee Harvey Oswald's cameras.

It has now been established through Mrs. Ruth Paine in Dallas that the AnSCO flash equipment fits a Minoltaflex camera that is now in Mrs. Paine's possession. Mrs. Paine advised that the camera and flash equipment are her property.

Sincerely yours,

J. Edgar Hoover
