

3/29/72

Dear Mary,

You will remember that when I was there you told me that Gary D. Campbell (or Al Chapman did), either 2415 W. Illinois or 383 O June Drive, Dallas, phone 333-1319 (Al's writing), went to the FBI Dallas office on a Saturday on 12/63 and was then interviewed. Al interviewed him, but if he has a memo on his interview, he has not given it to me. I was asked by one of you to get the FBI report or reports from the Archives.

I did ask. I did not get them or any word, so when I had occasion to write GSA I made complaint about this long delay. Today I heard from Rhoads on this. He says:

"...no records were found under the name you gave Mr. Simmons by telephone..."

He now assumes what is not the case, that I did not know whether or not there should be records and did not expect to hear if there are not.

Knowing nothing about this I can carry it no further.

Hope Buck is getting along well, that you get to see him over the holidays, and give Sue and the others my best.

Sincerely,
