SUBJECT: Jack Anderson Article
dated 9 September 1976

as Tab A

With regard to your query as to the identity of attorney Edward R. Morgan who was mentioned in the article, he is a former FBI official and a long-time associate and attorney for Robert Maheu, formerly with the Howard Hughes organization. Mr. Morgan was the attorney for John Roselli and represented Roselli in the late 60's at deportation proceedings and the so-called Friar's Club Swindle Case. I understand that during the deportation proceedings against Roselli, Morgan tried to blackmail the Agency into quashing these proceedings by threatening that Roselli would "tell all." This would indicate that Mr. Morgan was aware of Roselli's role in the Castro assassination plotting.
