

7/2/95

Mr. Herman Graf  
Carroll & Graf  
260 Fifth Ave.,  
New York, NY 10001

Dear Herman,

Your Frankenstein *Livingstone* now is unhappy with you, too.

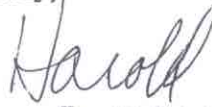

I remembered and highlighted one reference on page two. There is another later.

The more desperate he gets the crazier and wilder he gets.

And once he makes something up it becomes real to him.

If a crazy man can lie he is a big liar in virtually all he says about me.

Sincerely,

Harold Weisberg
