Dear Mrs. Manoch,

The information you requested is enclosed.

I do not know the status of the Carroll & Graf book that was mistitled.

It was not to be the "complete" Whitewash.

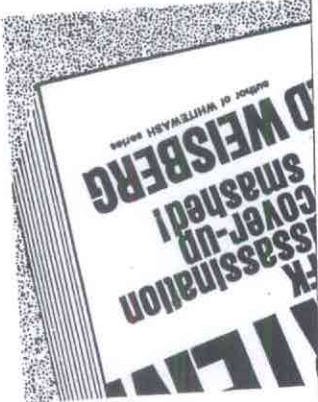

It was to be selections from all my books in a single volume.

Best wishes,

Harold Weisberg

Dear Mr. Weisburg:

May I please have a list or catalog of your publications on the assassination of John F. Kennedy, especially the ones that are still in print, and their prices also.

I live in an area where it is difficult if not impossible to get materials through our small public library. Even learning about the existence of newly published materials requires a good bit of effort. I was able to do a short literature search recently, and found your book, *The Complete Whitewash*, listed, with Carroll & Graf the publisher. I called Carroll & Graf to order it and was told that publication had been cancelled. Your name is in the Books in Print list of publishers, which is the reason I am writing directly to you.

I appreciate any help you can give me in locating a source from which I can purchase some of your work.

Sincerely,

*Ann Manooch*
