Dear Mr. Schwenk,

I appreciate your letter and thank you for it.

And your offer to proof-read. I wish F now had what needed it. As you will have seen if you are a proof reader, Case Open needed it. It got it and those corrections still were not made.

If I have the need I'll ask for it, thanks.

But at 81 and in impaired health - and with no publisher really interested in factual writing about the assassinations - I'm not hopeful.

In the book I refer to NEVER AGAIN!. It could have been out about a year ago, before Posner's. I have no explanation for why it was not. Last I heard it is to appear this September. I hope so!

It has been edited and supposedly is copy read but the publisher will, I suppose, do the proof reading. I'll also go over the proofs.

I've just completed the rough draft of a long book, Inside the JFK <sup>ASS</sup> Assassination Industry. With what it says about publishers I fear it will remain only a record for our history.

I'm very glad you perceive the purpose of my work.

Thanks.

Sincerely,

  
Harold Weisberg

Dear Mr. Weisberg:

I have just read your *Case Open* in the last few days, and I wanted to let you know how much I appreciated your debunking of *Case Closed*. I too was appalled at the fawning reviews that the latter book received. The whole scenario smacks of a "public diplomacy campaign", in the words of William Casey.

I would like to know where I can find your books for sale. Perhaps I can get them directly from you, or you could point me to a book-seller somewhere. I would be grateful for your help with this. Your books appear in so many bibliographies that it is clear how much other writers have depended on them.

I also am interested in getting more involved in this issue. One idea I had was to offer my services as a volunteer proof-reader. If you need any such support in the near future, please contact me.

Thank you for your attention and for all you've done for our democracy.

Sincerely,

Robert K. Schwenk
