Oct 10 prob from Dallas left letters. Between
Sybil's Boston where Cornell's son is doctor
psychologist or psychiatrist. She tells of being
in home of son in Boston when Markham ar-
rived. Before helping of parents & part of winter
from when they were so frightened they took off
letters. 1964. Man who asked Paul Sybil
to follow in after operation was named "Ferre"
or "Fence" - "Ferry". He got her in after Miami
He was wealthy ~~from~~ Puerto Rican. Ferre said
to have been working out of & Holy on U of Miami
campus.

girl who has done piece of mental service
in Cuban settlement - people hysterical, very large
black living. She said on phone one day I
had some information, what would you do.
They had lunch in the old "Fantasy story"
of a man who offered her \$50,000 to find what
she knew - in Big Boy restaurant - he
was attorney. She gave Butler all of it -
took a couple of hours in Butler's home. Butler
could not understand how a man who took
divorce, etc, case. Her name Maryann

Radio took Maryann & Butler home
& Butler took over, many, many calls and
meetings. He was frightened, afraid, afraid
person. He seemed to think she had
nothing. Maryann always referred to
"the government"

Ansley told her last month that he had no
idea where Mechanum was & Ansley told
her he could not understand why she had
written him to him when they
knew he wasn't there.

Mechanum needs help & part of ~~the~~
from high officials like perhaps they would
leave nothing to do with him. He left his
house 10/14/63. He left ~~before~~ for parents &
Susan. He saw Susan at his office that
a.m. but said nothing because Susan was in
conclusion.

Some mystery about Mechanum's, a
small foreign one, probably Volkswagen. The
head Mechanum was possibly talking about
it. She doesn't know what the mystery is.
