

5/24/64 Testimony of Mrs. Jean Hill, witness standing on south curb of Elm Street across from Zapruder's camera.

(V6-p220) MRS. HILL: . . . I talked with this man, a Secret Service man, and I said, "Am I a kook or what's wrong with me?" I said, "They keep saying three shots -- three shots," and I said, "I know I heard more. I heard from four to six shots anyway."

He said, "Mrs. Hill, we were standing at the window and we heard more shots also, but we have three wounds and we have three bullets, three shots is all we are willing to say right now." . . .

SPECTER: Do you know who that Secret Service man was, by the way?

MRS. HILL: No; I don't. . . .

MRS. HILL: Then, he asked me -- I was asked did I know that a bullet struck at my feet and I said, "No, I didn't." And he said, "What do you think that dust was?" And I said, "I didn't see any dust." And I told Mark Lane that the Times-Herald did run a picture in the paper of a concrete scar where a bullet had hit right where we were standing, which is evident to anybody that had an issue of the Times-Herald.

SPECTER: Did you see that concrete?

MRS. HILL: I didn't go back down there.

SPECTER: Do you know whether or not a bullet did hit that concrete?

MRS. HILL: As I say, I saw the picture in the newspaper.

SPECTER: Aside from seeing it in the newspaper, do you know anything about that?

MRS. HILL: No; other than what the man said he saw out of the window of the courthouse, the Secret Service man said, and it struck at my feet, other than that - I don't know.

(V7-p509) Mrs. Donald Baker, witness standing on north side of Elm Street at
(7/22/64) curve off Houston, saw a bullet with sparks from it, hit the pavement of Elm Street in back of the Presidential limousine in the middle of the left-hand lane going toward the underpass "near the signs." "RIGHT AT THE FIRST SIGN" "ANGLING OUT"

(V6-p238) Royce G. Skelton, witness standing on overpass, saw a bullet with
(4/8/64) cement spray from it, hit the pavement of Elm Street in front of the Presidential limousine on the left-hand side.

ALSO SEE SKELTON STATEMENT OF 11/22/63 (NEXT PAGE) FOR (2) BULLETS.

(V6-p265) Roger D. Craig, Deputy Sheriff, said, "Euddy Walthers, one of our
(4/1/64) other criminal investigators, said that one of the bullets had ricocheted off the south curb of Elm Street." Mr. Belin asked if he had searched the south curb of Elm street and he said that he had done so with Deputy Sheriff criminal investigator Lemmy Lewis. (Note: Lemmy Lewis was not called or questioned.)

(V19-p485) Austin L. Miller, witness standing on overpass stated: "One shot
(11/22/63) apparently hit the street past the car. I saw something which I thought was smoke or steam coming from a group of trees north of Elm off the railroad tracks."

NOTE: In Skelton's testimony on 4/8/64 (V6-p238) he mentions only one bullet that he saw hit the pavement of Elm Street. However, in this voluntary statement, made at the time, 11/22/63, he mentions seeing two.

Deposes and says: I was standing on top of the train trestle where it crosses Elm Street with Austin Miller. We saw the motorcade come around the corner and I heard something which I thought was fireworks. I saw something hit the pavement at the left rear of the car, then the car got in the right hand lane and I heard two more shots. I heard a woman say "Oh no" or something and grab a man inside the car. I then heard another shot and saw the bullet hit the pavement. The concrete was knocked to the south away from the car. It hit the pavement in the left or middle lane. I then went down to my car radio to see if I could find out what happened. After I came back up, a policeman asked me if I had seen anything and brought me to the Sheriff's Office.
