Dear Mr. Weisberg:

I have received your letter dated July 13, 1993. I want to thank you for writing me back. I would like to come to Frederick sometime to do research for CSHAA. CSHAA will be working with the Congressional Black Caucus to prepare a hearing on the harassment of African-American political leadership. In addition, I would like for you to sign your book, Martin Luther King: The Assassination, (formerly titled Frame-Up) for me.

I have been studying the Kennedy and King assassinations and I would like to assist in the continuation of your work if possible. I will speak to Senator Clarence Mitchell and CSHAA executive director Sandra Peters and get back to you about what we are looking for and when we will need it.

You mentioned in your letter Mark Lane and Dick Gregory. Both Mark Lane and Dick Gregory are members of CSHAA's Board of Directors. Also, D.C. City Councilmen Marion Barry, Birmingham Mayor Richard Arrington, and former California Congressman Mervyn Dymally are also on the Board.

Again, thank you for writing back to me. I will let you know of the status of our work. I hope that I will be able to come to Frederick sometime soon to do research and have you sign your book for me.

With best wishes,

Sincerely,

Grason Eckel
