Dear Mr. Chapman:

I have inquired of the Federal Bureau of Investigation as to what can be done with your information regarding the Kennedy assassination. Please be advised that Special Agent Bob Gimbling of the Dallas Office of the Federal Bureau of Investigation is in charge of investigating any new evidence which has come to light. Since Mr. Gimbling does quite a lot of traveling, I would suggest that you contact him to set up an appointment to present the pictures which you brought to my attention this date and any other information which you are able to give him. He may be contacted by telephone at 741-1851.

Yours very truly,
