

Mr. Daniel E. Christensen
South Miami, Florida.

July 12, 1976.

Dear Mr. Christensen:

I have received your letter dated July, 7. Thanks.

Just recently the appeal for a new trial in the suit was terminated as a waste of time and postage therefore I don't have much interest in the matter unless information you refer to should be in favor of a civil suit.

In this respect's, civil suit; last month a suit was filed by me in Memphis Federal court and therein reference was made to, Miami, Florida. Enclosed is ~~to~~ pages of the Complaint that was filed in Fed. ct. The suit is titled:

Ray v. Three Inc.

no. 76-274.

U.S. dis. ct. W D. Tenn., Memphis.

The information referred to in the enclosed two pager on 7/12/76 was planted in the auto. I know very little else about Miami except that the Bulletin put out for me their in April 1968 which was subsequently withdrawn by the FBI.

If and when civil counsel is retained to prosecute the above civil case I'll give him your letter.

Sincerely : James G. Ray 814,77
