Dear good and wonderful friends,

Thank you so very, very much for the magnificent birthday party. You were both in wonderful form, disposition and personality. And, thank you so much for coming to my intimate gathering of a few of my friends.

But, goddammit, I wish you two lascivious, dirty, old bastards would stop trying to bang my gal -- you make her so horny that I have to run her around the track at Golden Gate Park before I can get her shoes on in the morning!

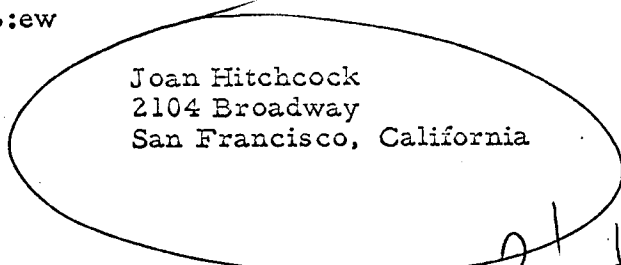

Happy Hallowe'en and the coming holidays and God bless you both.

All good wishes,

MELVIN M. BELLI
