C  
Dear Paul,

My machine will not make a good copy of the enclosed. Therefore, when you make one for yourself, if you will make me about five others, I will send them around and see if I can get more for you. It occurs to me that in time some of the other names will be of interest to you.

O  
I may get more. If I do I will send it promptly. I suspect this may be enough for your immediate purposes.

First reference to <sup>J</sup>oven America is marked in red on the second page of the news story. It is repeated in the typed attachment.

When you have finished, would you please return?

P  
Best regards,
