

11/3/67

Dear Steve,

Many thanks for your kind note of 10/30. Maggie had told me of your success with "Tempo II". If they express any interest in any special part of the book and I have documents a propiata to it, if I know and can keep forgetting when I get round up, I will be glad to reserve that for them.

You went to a lot of trouble, and I do appreciate it. Glad you agree that a later date will be better for the speech. If you can get a commitment, I can then plan around that. Remember, the show trial is scheduled for mid-February.

John Christian knows some newsmen in LA. He and Hal phoned from Chicago last night. He has also asked them to help.

There has been a slight change in my schedule. The program in Dallas ends this coming Tuesday. The man who ran it got a considerable promotion. I will not be going to Dallas but will probably backtrack to Salt Lake City. Also, I'll be doing the Lyne show 11/20, p.m. I wish I could believe that the show will be like the producer who has been in touch with me. I presume I'll leave LA the next a.m. but will not be able to decide until after I hear from Salt Lake City.

On the UCLA speech possibility: Early February also might not be a bad time. That will be closer to the date of the trial.

Again, my thanks. Looking forward to seeing you all again.

Sincerely,

Dear Harold,

Please excuse the haste of this note. Your letters of 11/24 and 11/27 arrived today.

I have sent letters to about 25 radio & TV shows & news depts. They were mailed Sat. Received telegram today from "Tempo II", an afternoon live talk show on KHTV-TV. They sound real interested. Others should reply tomorrow & Wed. I'll pick up the books from Lopez tomorrow.

Also, I'll speak to ASULLA about a speech in Jan. It may be better, especially if Jim speaks at UUA on 11/8 as I'm trying to arrange. Let you know soon.

That's all for now.

Best,
Steve
