10/16/67, p.m.

Dear Steve,

Just heard from Parellax late this afternoon and early evening. I'll be able to get to LA am 11/15 and stay is open end. Arranged that to be last major stop. NY press conference p, 10/31. Pub date, 11/1/

If you cannot arrange for speaking engagement under Ass. Students sponsorship, please let me know because I have had to tighten up on other stops and eliminate one to make this by 11/15.

We do not have a party line any more, so if you should call, either my wife or I will answer.

I will go to New Orleans first. If there is anything you'd like me to try and do for you, Maggie or anyone else there, please let me know because I will be there only a scant three days and want to plan. Because we have no money we are pushed for time.

Please tell Bill and Maggie. I have a new friend in San Francisco who says he has made arrangements for me to stay with close friends of his while I am in LA. This may simplify things for Bill. I just heard from him today. I now have no one making arrangements for any radio or TV appearances, and I hope you, I think last time it was Bill and Ray, will be able to do something. If this SF fellow can arrange anything, I'll let you know immediately.

Also, do not forget that you are to let me know how many copies of the book you will want. Please include whatever copies the rest, particularly Bill and Maggie, will want. I will then make arrangements for freebies with the wholesaler and for you to have access to them before I am there.

I will have an assortment of the documents with me, most suitable for reproduction, should anyone care to.

Best to you all,

Hurriedly,

Hal.
