

# JOIN THE COUNTER-SPY

## TEAM

• PUBLICATIONS  
CARIC publishes a bi-weekly INTELLIGENCE REPORT and a quarterly named *COUNTER-SPY* featuring various articles examining the structures and operations of U.S. Intelligence. In addition, CARIC publishes occasional pamphlets on various concepts in the craft of intelligence. CARIC also provides reprints of selected articles on intelligence which have appeared in other publications.

CARIC is preparing a guide to U.S. intelligence which will serve as a citizen access device to the hidden world of government operations. We hope that any controversy raised by this guide or any other CARIC publication will lead to public debate and resolution of the issues involved. Our analysis is based in a firm belief that no human being should be denied life, liberty or the pursuit of happiness by our government or its agents. CARIC publications and the public effort to insure the veneration of this concept by those in our government.

### • IN-FROM-THE-COLD HEARINGS

CARIC will sponsor 'In-From-The-Cold Hearings' featuring public testimony by individuals intimately involved with U.S. Intelligence. The hearings will focus on American intervention abroad, domestic repression in this country and the effects of secrecy on the individuals' personality. Former intelligence workers and those who have been victimized by the intelligence community will publicly relate their participation in activities of our government which can no longer be ignored by good citizens.

Join with us in our effort to end "illegal, unconstitutional and gross acts" by our government. CARIC is entirely supported by donations from American citizens. Donate and become a sponsoring member of the Committee for Action/Research on the Intelligence Community. Sponsoring members receive our bi-weekly *INTELLIGENCE REPORT* and our quarterly *COUNTER-SPY* as well as additional information on government operations. CARIC actively seeks the advice and viewpoints of all sponsoring members in our activities. Write to CARIC, Box 647, Ben Franklin Station, Washington, D.C. 20044, or call (202) 785-8330.

With your support we can prevent the visions of George Orwell in 1984 from becoming an American reality.

Intelligence Community (CARIC)

# INTELLIGENCE REPORT

The headlines in American newspapers have for years told of Army surveillance of civilians, U.S. spy planes being shot down over other countries, attempted coups and intrigue initiated by the CIA and unrestrained FBI wiretapping. We all know that Big Brother is watching, but no one in our government has taken the time to explain who is being spied upon, and why we are being watched. Too often, we American citizens don't even know who Big Brother is.

In 1955, President Eisenhower accepted the report of the Hoover Commission on U.S. Intelligence. Among other recommendations, the Commission emphasized the need for two "watchdog" committees on intelligence within the executive and legislative branches of government. Although a Foreign Intelligence Advisory Board (FIAB) was established to serve the President, Congress by an overwhelming majority has refused to establish a committee within the legislative branch. Now, in the midst of the Watergate scandals, there is some movement within Congress to establish committees on the separate intelligence agencies. The result will be divided oversight with no assurance that Congress will be able to stop illegal and unjustified spying. With Congress abdiquating its responsibilities, there is no agency of government, directly responsible to the public, monitoring the United States Intelligence Community.

Now former intelligence workers and concerned citizens have formed a national association to provide the vital information an aware public needs to know about government operations. The Committee for Action/Research on the Intelligence Community (CARIC) is an independent "watchdog" on the government spy apparatus. CARIC, sponsored entirely by donations from American citizens, serves as an alternative source of analysis and information on the practices, organization and objectives of U.S. Intelligence. What clandestine operations are being carried out in the name of America? Is the CIA preparing to entangle us in another war similar to the Indochina War? What information is going into Federal, State, local and private data banks on innocent American citizens? Is the FBI becoming a "secret police force"? Whose phones are tapped in America? These are some of the questions CARIC is answering.

CARIC knows that all conscientious Americans are closely watching the events that have unfolded since the arrests made at the Watergate building. We share the hope of most Americans that the illegal espionage practices that have now been exposed will no longer be a part of American political life. However, the dismantling of one espionage apparatus loyal to one group of politicians does not insure that this abuse of power will not be repeated by future politicians.

Who knows what future political espionage will occur under the guise of so-called "national security" or loyalty to an administration? Only time will tell, but through diligence and your help CARIC will anticipate and bring to your attention situations within the government that are likely to produce a new "Watergate."

Although CARIC does believe that a massive government spy apparatus is at work in the world, we hope to dispel some of the paranoid citizens naturally feel when there is talk of spies and wiretaps. We know that the FBI does not have agents behind every tree, but there are agents in every major community in this country who have spied on innocent private and public citizens. Only a full and undisguised look into this hidden world can displace unwarranted fears, and guide the public effort to end this illegal and unjustified espionage. *The secrecy with which the government surrounds itself must end.*

CARIC knows that tens of thousands of American citizens from all walks of life were mobilized over the past decade to help bring an end to the government's war in Indochina — a war that has taken new forms under the direction of U.S. Intelligence agencies. CARIC hopes that these same concerned citizens will continue to oppose the policies of our government which bring this new form of covert war and the Watergate scandals. It is now time for thousands of Americans to mobilize to stop the spying as we stopped the dying. *Please join us in our effort.*

## THE COMMITTEE FOR ACTION/RESEARCH ON THE INTELLIGENCE COMMUNITY (CARIC)

### INTELLIGENCE REPORT

#### ● CARIC ORGANIZATION

CARIC is organized to reflect the operating procedures of a typical intelligence organization. Our research process involves collecting information from a wide variety of sources both public and private. Our analysis is the collective product of CARIC participants and eliminates any compartmentalization of knowledge. The information and our analysis is then disseminated through CARIC publications and separate works by CARIC participants. In addition, CARIC provides information to other journalists and qualified researchers.

#### ● INTELLIGENCE DOCUMENTATION CENTER (IDC)

CARIC is continuously collecting information on intelligence from a variety of sources including official government publications and documents, previous investigations, public accounts and interviews conducted with hundreds of former intelligence and police agents. The information forms the database of the Intelligence Documentation Center maintained by CARIC. The IDC is a library of information on U.S. Intelligence available upon request to journalists, qualified researchers and members of CARIC.

#### ● SPEAKERS BUREAU AND WORKSHOPS

CARIC maintains a listing of members available to speak before groups on a variety of subjects ranging from the foreign intelligence programs of our government to the problems of criminal justice in this country. Our speakers include former intelligence workers, police agents and informers and others familiar with American intelligence. CARIC will periodically conduct workshops for church, labor, school or community organizations. Workshop topics include:

- OPERATION PHOENIX — CIA assassination in Vietnam
- SALEM HOUSE — Preparation for the coup in Cambodia
- The CIA in Laos
- OPERATION BOULDER — An introduction to the next American war
- Right-wing terrorism in America
- Federal Planning for civil disturbances: Riots and demonstrations
- The Internal Security apparatus and Watergate

#### ● MULTI-MEDIA BRIEFING

CARIC will soon augment our workshops with a multi-media briefing on U.S. intelligence featuring films, video tapes, displays and recorded interviews. The exhibit will dramatically illustrate intelligence as practiced by our government. Our hope is to create a super-conscious realization by our audience of the concepts presented in the display. The first element of the multi-media briefing is a slide show tracing the growth of the internal security apparatus of our government and demonstrating how this apparatus influenced the Watergate scandals. The slide show terminates with suggestions for limiting future growth of the internal security apparatus.
