im its entirety. Warren Report. report (including the 26 volumes of depositions, exhibits, and affidavits) editorialists, and magazine writers, almost none of whom has read the There has been a great deal of talk lately praising the accuracy of the This talk comes for the most part from commentators,

and is based on a closed-mind approach. In other words, it was written to comport to comfort, rather than to reflect the truth AT ANY COST. is often wrong; is full of unchallenged contradictions in witness testimony; and is based on a closed-mind approach. historically reprehensible corner. Examined in depth, the Warren Report detail they would not have voluntarily painted themselves into such a commitment regarding the verdict of the government report. One wonders about the Oswald case) can have made such an eager, greedy emotional It is hard to understand how these people (who are so uninformed generally the presented facts. Certainly if the Accepters had read the report in at the psychological meed behind their failure to explore and dissect

to the silly list of The Accepters. this task before brushing aside our protest and before adding your name otherwise would be to disbelieve in God, reason and justice. We also believe that anyone who reads the 26 volumes of the Warren Report in For these reasons, there is no doubt in our minds that the judgment as their entirety will feel as we do, and we ask only that you accomplish brought im by the Warren Commission will be overturned. To believe
