Dear Sirs:

Enclosed is a U.S. dollar money order for three dollars. Please enroll me as a subscriber to The Councilor.

I would be pleased if you would begin my subscription with the issue that follows Volume 6, Number 11 (22 March 1969), which a friend sent to me as a sample copy. Please send me the back issues from Number 11 to the most recent issue.

My friend sent me the sample copy of The Councilor of 22 March 1969 because it contained some material about the political assassinations that have taken place in the past few years. That is a topic that interests me greatly, but I look forward to learning your views not only on the assassinations, but also on other important national issues.

In the issue of The Councilor that I have you mention a periodical, The Thunderbolt, which is published in Savannah. Would you please be kind enough to tell me specifically where I should write for a subscription to The Thunderbolt and, if possible, how much it costs.

Yours truly,

Richard Bernabei
