Gentlemen:

I enclose a check for \$3.00 to cover a one year subscription to your newspaper. Is there any distributor of it in the Twin Cities (Minneapolis and St. Paul) area? After recently having been shown a copy of it labeled "Sample Copy" I tried to find a distributor, but was unsuccessful.

I would very much appreciate it if you could begin my subscription with your issue of March 22 of this year (Vol.6, #10), since it was a sample copy of that issue which was loaned to me. The headline story in that issue fascinated me, since I am quite interested in the Kennedy assassination, but have read little conservative opinion on it since Rev. Billy James Hargis' The Far Left and Dr. Reviãã Oliver's articles in American Opinion. So, consequently, I can't wait to read the subsequent issues for the remainder of the story about the Kennedy "Death Bullet." Also, even more eye-catching was the promise at the bottom of the page for the name of "the Top-Gun suspect in JFK's death." Have you sent copies of this to Earl Warren?

I am interested in any books or pamphlets you offer concerning the assassinations of either of the Kennedys or Martin Luther King if you have time to send me a list of what you have on these subjects. Since your study of at least the assassination of President John F. Kennedy has been serious enough to involve an examination of the technical details, and in addition you have acquired at least one new piece of evidence (the fourth bullet), perhaps your work on this has already been published in book or pamphlet form. If so, I look forward to seeing it.

Thanks for your help.

Sincerely,

Gary Richard Schoener
