Dear Mr. Cox:

We received your letter of April 3 regarding the request concerning Mrs. Gallagher and the chance to be interviewed by a reporter so that you can tell your story.

I assume your story has been told in court. We would be very willing to run the story for you providing it would first be screened by the proper authorities.

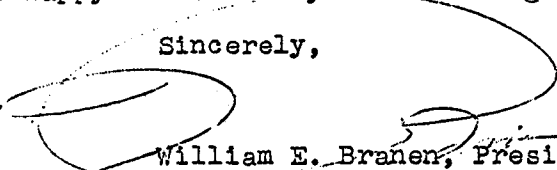

Mrs. Gallagher, or Mrs. Royce Gallagher, editor of the Westosha Report at Twin Lakes, Wisconsin lives in Silver Lake. Mail may be addressed to Mrs. Katherine Gallagher, P.O. Box, Silver Lake, Wisconsin or to the Westosha Report, P.O. Box, Twin Lakes, Wisconsin.

As for a reporter, I am sure that Mrs. Gallagher would be very happy to go to your place of confinement to interview you and to write a story concerning your charges.

After all, this is the type of society we are supposed to live in. A man is innocent until proven guilty. However, you have been proven guilty, yet you claim you are innocent.

We will be happy to talk to you concerning your innocence.

Sincerely,

William E. Branen, President - Publisher
