

Rita - 5/17/75 - no question of suicide - father's 22 project
against wall think he lay on couch - put shoulder into
heart. Note "I'm sorry for what I'm about to do, I
can't stand the pain" over separation from wife

Turned down on Social Security although had it.
Shoulder shot off 5 months ago. Wasn't with
married woman Joanne (Frank) Washburn
wealthy - close to Penn Jones & interested in
JFK assassination. Report of Frank & daughter
of J. & husband shot 410. Frank would not

Jealous until after assassination

Lonnie Hecking 5/17 Fort Craig Fred Seivelle
before 11/2/64, was heavy ladies man, winning

unstable.
