PRESS RELEASE, OCTOBER 31, 1968 (FROM THE DISTRICT ATTORNEY, PARISH OF ORLEANS)

A Grand Jury subpoena was issued today in connection with the investigation into the assassination of President Kennedy for the appearance of an out-of-state witness, Mr. Fred Lee Crisman from Tacoma, Washington.

Mr. Crisman has been engaged in undercover activity for a part of the industrial warfare complex for years. His cover is that of a

"preacher" and a person "engaged in work to help gypsies."

Our information indicates that since the early 1960's he has made many trips to the New Orleans and Dallas areas in connection with his undercover work for that part of the warfare industry engaged in the manufacture of what is termed, in military language, a "hardware"-meaning those weapons sold to the U.S. government which are uniquely large and expensive.

Mr. Crisman is a "former" employee of the Boeing Aircraft Company in the sense that one defendant in the case is a "former" employee of Lockheed Aircraft Company in Los Angeles. In intelligence terminology this ordinarily means that the connection still exists but that the "former employee" has moved into an underground operation. More often than not a "bad record"or evidence indicating that he has been \*fired" is prepared for the parent company to increase the disassociation between the two.

Mr. Crisman is being called as a witness because our office has developed evidence indicating a relationship on his part to persons involved in the assassination of President John Kennedy.

For the information of the public, we want to reiterate that President Kennedy was murdered by elements of the industrial warfare complex working in concert with individuals in the United States government. At the time of his murder, President Kennedy was working to end the Cold War. By that time, however, the Cold War had become America's biggest business. The annual income of the defense industry was well over twenty billion dollars a year and there were forces in that industry and in the U.S. government which opposed the ending of the cold War.
