Harold - I must have sent you two copies of the first page of this letter to Paul Valentine. Could you return one.

Got your letter a day too late to avoid sending you some more Hargis stuff. I'm glad to pay the postage. Just don't have storage space enough for it. Would like you to have it if you might use it someday.

On Wed, haven't heard from him,
Will contact him again about
reassurances to you. Jerry P.
& Sylvia are disgusted w/ him -
I imagine Harold R. is too -
given what I mentioned in
terms of his need to believe
the establishment. I think
he's out of touch w/
everyone -

Best wishes -

Gary

Hope enclosed check
