Jear Mr. Bruce,

Your letter of lay 9 has been forwarded. We have moved from Eyettstown. Our complete address in above.

I thank you for the kind things you said about OSMALD IN MENORED AND It is my fourth book. A list of those preceding it is enclosed. The first two once were evailable in Dell reprints. Sidney's Newsstand, on Decatur St. opposite the French Market. once carried them. Dell says they are now out of print.

What you say you heard Suban emigres discussing is of potential interest. I am interested in knowing where you heard the discussion of their coming invasion and as best you can recall it, a description of the men and whether or not any names were used.

Of course, it is always possible this was idle chatter. However, if you do have any information, it just might be of value.

In New Orleans, "ouis Ivon would appreciate knowing what you heard.

Speaking to him would not involve you in anything. He is the chief investigator in Gerrison's office. He can be reached on a direct line without soing through the switchboard, if you'd prefer, at 822-g584. Or, the switchboard number is the switchboard number is meassage at the board. The other is his private phone.

1 have spoken to him and I know he is interested. He would like to hear from you.

There is reason to believe some of the expetrict Cubans have recently become active again, so snything you recall could be of interest. And you need not fear giving me your New Orleans address. Nobody will be looking you up without your permission.

again, my tahnks. I am looking forward to hearing from you.

Since ely,

Herold Teisberg
