

Mr. Schoener: Enclosed is a clipping from the Mpls. Star of May 20 which you probably have seen. I happened to read it and noted the town of Union N.J. which was mentioned in a document you circulated after your regular speech at the editor's meeting the night of May 20. I hope that my reporter friend Phil Lee follows up on my recommendation that he do a story about you and your work.

Sincerely,

W. S.

WASHINGTON, D.C. (AP)—The FBI announced the arrest today of two members of the Cuban Nationalist Movement, a militant anti-Castro organization, on charges of conspiracy to bomb Cuban government installations and ships in Canada.

FBI Director J. Edgar Hoover said the two had conspired with others to destroy the offices of the Cuban consulate and the Cuban Trade Commission and steamships belonging to Cuba.

Hoover identified the two as Guillermo Novo Sampol, 28, of West New York, N.J., and Felipe Martinez y Blanca, 25, of Union City, N.J. They were taken into custody without incident early this morning at their residences, Hoover said.

Both are Cuban natives and naturalized citizens of the United States.

The complaint charging them with conspiracy to injure property of a foreign government was filed Monday in Newark, the FBI said.

The FBI said they would be arraigned in Newark as soon as possible. Conviction on the charge carries a maximum penalty of three years imprisonment, a \$5,000 fine or both.
