Dear Al,

Thanks for the copies with your yesterday's letter.

If you see anything more on the Livingstone book in particular and the commercializations of the anniversary in general I'll appreciate copies.

Thanks and I hope you can make it some Saturday morning.

Best,

Dear Harold:

Dave Saulsbury called me yesterday and said you'd be interested in seeing a list of the JFK-related books that are coming out this fall. I compiled this list when I was at the American Booksellers Association trade show in Miami last weekend.

I'm enclosing a copy of a recent article from "Publisher's Weekly" that mentions a half dozen or so books (including Livingstone), a list that I made of some other new books and reissues, plus photocopies of blurbs about some of the books.

Hope all is well with you and Lil. Dave and I would like to come out again soon, perhaps early on a Saturday.

Cordially,
