

**BISHARA SIRHAN era buen amigo mío", dice el mismo detenido en Juárez, quien aparece custodiado por un agente local y otro del F. B. I.**

**LA CARTA que escribió Crispín, en la que manifiesta su deseo de matar también a Ted, el último de los Kennedy.**

## SE DICE ASESINO DE BOB KENNEDY

**CIUDAD JUAREZ, Chih.**—Un jovenzuelo, que afirma haber tenido participación en un complot para dar muerte a Robert Kennedy, fue detenido en esta ciudad. Crispín Curiel González, de 17 años de edad, amigo del asesino de RFK, Bishara Sirhan, ha declarado además estar dispuesto a dar muerte a Edward Kennedy, el último de la famosa familia aún con vida, "si hay una buena paga de por medio".

El muchacho, mitómano según mucha gente, es mexicanoamericano. Cuenta sólo 17 años de edad, pero según la policía se encuentra ya en posibilidades de cometer el crimen para el que dice estar dispuesto.

Su aprehensión fue casual. Frente a una lechería, denominada "Zaragoza", se le cayó una carta. El propietario de la negociación la recogió y al leerla, grande fue su sorpresa. A la letra decía:

"Es muy claro. La familia Kennedy quiere entronizarse en los Estados Unidos como dictadores. Por eso murió Robert Kennedy.

"Yo he pensado detenidamente matar a Edward Kennedy. ¿Por qué? Porque es el que queda. Ahora no, porque no está jugando. Pero cuando se lance será muy fácil, nada más hay que esperar, esperar..."

"En las elecciones primarias cuando se tenga que acercar al pueblo será muy fácil. Yo siempre he querido hacer algo grande".

Las autoridades locales, tan pronto lo capturaron solicitaron la colaboración del FBI y dos agentes de la famosa policía norteamericana participaron en su interrogatorio. En opinión de los investigadores se trata de un mitómano, pero con todas las oportunidades para cometer un magnicidio.

El joven escribió además otra carta, en la que se presenta también como un asesino en potencia. Ella dice:

"Voy a perder mi memoria completamente pronto. Si el mundo solamente supiera que yo proyecté todo el asesinato de Robert F. Kennedy. Ese árabe loco tenía un tremendo odio por todo lo que fuera Kennedy.

"El mundo sabe que el asesinato fue un gran complot, pero desafortunadamente nunca toda la verdad.

"Yo siempre quise hacer algo grande. Yo lo hice bajo la fuerza de esta droga que tomé para perder la memoria.

"Yo nunca sabré que proyecté

el asesinato de RFK. Pero no me importa.

"Yo sé que el mundo nunca sabrá acerca de esto. Pero no me importa. Yo probablemente moriré muy pronto en alguna parte de México.

"Mis padres viven en Colima, calle Medellín número 156.

"La policía sabe que fui asesinado en Nueva York. Pero los que trataron de matarme cometieron un pequeño error.

"Hay una cosa que me gustaría decirle al mundo: Que yo amaba a una muchacha llamada Emily Blukreyi. Que vive en Los Angeles, California, en la calle Vaness número 603 sur. Su teléfono es el 385-1152.

"Iré por todo el mundo sin ninguna canción y sin ningún pedazo de pan para comer".

Crispín Curiel González, el autor de esta misiva tan extraña, firma a cuatro de junio de 1968.

### LA POLICIA INTRIGADA

¿Se trata en realidad de un asesino? ¿Participó o no en el magnicidio que ha conmovido al mundo?

Nunca se sabrá toda la verdad.

En opinión de los agentes que han participado en la investigación, efectivamente se trata de un mitómano, pero como muchos locos que andan libres por los Estados Unidos, se encuentra en la posibilidad de cometer un crimen como el que anuncia:

El del senador Edward —Ted— Kennedy, el último del famoso clan que todavía vive y, al parecer, con intenciones de llegar a la Presidencia de los Estados Unidos.

La detención de Crispín Curiel González en esta ciudad, puede ser muy importante para la seguridad de Ted Kennedy. Pero...

¿Cuántos locos más están sueltos en Norteamérica?

### LA PERSONALIDAD DE CRISPIN

El joven aprehendido por las autoridades norteamericanas, es en realidad un poco más. Un mexicano nacido al otro lado que aspira a contar con la nacionalidad estadounidense.

Para ello ha pasado muchas privaciones, inclusive una detención en El Paso, Texas. Por eso, para no despertar sospechas, ahora trata de comportarse como un norteamericano más.

Y según él, pasar por loco es la mejor manera para ser considerado un norteamericano.

Alarma!

Num 272 Mexico City 17 July 68

Juarez - On July 4th when the United States was celebrating the anniversary of her independence, in a locked cell of the Hospital Libertad, appeared hanged Crispin C. Gonzalez, who said he had participated in the assassination of Robert Kennedy, which occurred on June 6th in Los Angeles, California.

Crispin Gonzales had been detained ~~on the~~ by the judicial police and consigned to the Federal Public Ministry and was ordered to be examined by a psychiatrist. The psychiatrist suspected that the young man was mentally disturbed. When he was questioned he said, "I always wanted to be something great. Yes, I have thought of killing Edward Kennedy, and it is preferable to die immortalized than to end like a dog."

Curiel Gonzalez, says the police chief, Jesus Chacon Prieto, attempted to escape from the hospital the day before his suicide. His death occurred at 7:30 p.m. Before then he suffered an attack of madness during which the rope broke. After taking a strip from the mattress knotted around the neck he hanged himself from one of the bars of the jail.

The psychopath declared that days before the assassination of RFK he had a meeting in a library in Los Angeles with Sirhan B. Sirhan to plan the death of Senator Kennedy.

The boy was in one of the cells of the psychiatry wing of the Hospital Libertad, in charge of Dr. Luis Sanchez Guevvevo. The suicide coincided with the attempted shooting which Sidallah Sirhan, 36 year-old brother of the assassin of Robert Kennedy, suffered in Pasadena, Calif., when he was traveling on the highway at 4:30 a.m. of the 3rd.

The North American authorities said that the family of Sirhan Sirhan and other people connected with the crime against Senator Kennedy have shared the murder by

Betty Carson

Translated by ~~Mrs. Herb~~ Lockwood

A young man who has confirmed having participated in a plot to kill Robert Kennedy, was detained in this city (Juarez). Crispin Curiel Gonzalez, 17 years old, friend of the assassin of Robert F. Kennedy, Sirhan Bishara Sirhan, has declared moreover to be prepared to kill Edward Kennedy, the last of the famous family living, "If there is good enough pay". The boy myth-maker according to many people is a Mexican American. Being only 17 years old, but according to the police capable already of the possibility of committing the crime to which he is said to be disposed.

His apprehension was casual. In front of a dairy, called "Zaragoza", there was dropped a letter. The proprietor of the business picked it up and read it, great was his surprise. The letter said:

"It is very clear. The Kennedy family wants to conduct itself in the United States like dictators. For this Robert Kennedy died.

"I have thought in a determined fashion to kill Edward Kennedy. Why? Because he is the one left. Not now, because he is not running. But when he makes a move it will be very easy, there is nothing more to do than to wait.

"In the primary elections, when he has to go into the city it will be very easy. I have always wanted to do something great."

The local authorities quickly captured him along with the collaboration of the FBI and two agents of the famous North American Police participating in his interrogation. In the opinion of the investigators, he considers himself a visionary but with all the opportunities to commit a great deed.

The young man wrote moreover another letter, in which he presents himself also as a potential assassin. The letter said:

"I am going to lose my memory completely soon. If the world only suspected that I planned entirely the assassination of Robert F. Kennedy. That crazy Arab had a tremendous hatred for all that Kennedy stood for.

"The world knows that the assassination was a great plot but unfortunately no body knows the entire truth.

"I always wanted to do something great. I did it under the force of this drug that I took to lose my memory.

I never knew that I planned the assassination of RFK but it doesn't matter.

"I knew that the world would never know about this. But it doesn't matter. I probably will die very soon in some part of Mexico.

"My parents live in Colima, 156 Medellin Street.

"The police know who did the assassination in New York. But those who would try to kill me would commit a small error.

"There is one thing that I would like to say to the world: That I am in love with a girl named Emily Biukreyi who lives in Los Angeles, California on Vaness Street, 602 S. Her telephone is 385-1152.

"To go thru all the world without a song or a single slice of bread to eat."

Crispian Curiel Gonzalez the author of this very strange letter signed it the 4th of June 1968.

#### THE POLICE INTERVIEWED

To treat it as the truth of an assassin? Did he participate or not in the great event which has upset the whole world?

Nobody knows all the truth.

In the opinion of the agents who have participated in the investigation, he is treated in effect as an overly imaginative, but as many locos would have made freedoms for the United States. The possibility is encountered of committing a crime as was announced

As for Senator Edward-Ted-Kennedy the last of the famous clan who still lives and, to all appearances, with intentions to reach the presidency of the United States.

The detention of Crispian Curiel Gonzalez in this city can be very important for the security of Ted Kennedy. But...

How many more locos are loose in North America?

#### PERSONALITY OF CRISPIN

The youth apprehended by the North American authorities is in reality a little more. A Mexican born on the other side who aspires to count with the United States nationality for he has had many privations, including a detention in El Paso, Texas. For this, in order not to attract suspicion he now tries to conduct himself more like a North American. And according to him, to pass for a loco is the best manner to be considered a North American.
