

2/24/69 Dear Bud, I think it will be a while after the impending disaster before
CUTLER DESIGNS anyone except me knows what he is going to do. I know. What I
 have been. Bud will have much thinking to do, and he should not be forced. **R. B. CUTLER, ARCHITECT**
 He is my friend and I help him in whatever ways I can, but his NCIA cannot work in
 38 UNION ST. MANCHESTER, MASS. 01944 its present concept and I have not **TEL. 526-1521**
 joined for that reason. I have not discouraged anyone, however, and I have absolutely

no doubts about Bud. However, remember he has just strated a law practise and had
 as one of his first the world's worst, who said nothing,
 to Harold Weisberg ran the costs up needlessly and never let the lawyer know
 where he stood. In fact, he continually crossed the lawyer up. It
 Route 8 has been costly, painful and difficult for him. I am letting him
 devote some time to his paying clients, may they
 FREDERICK MD 21701 increase. So, check with him first...At the
 moment, much as I appreciate the offer, I can
 think of no help you can give me. I am trying to
 get a third book ready for a limited edition. When
 DATE II/20/69 that is done, either I'll go back to one
 HW : we have just finalized some plans to that is done, either I'll go back to one
 take ten days off and go to San Francisco lied aside or to a new one, if I deem that
 where my wife was born and so my trip to necessary. I've enough material in hand
 Md will have to be confined to one which for a book a month for the next year. Then,
 includes DC and Fensterwald as I see perhaps, a couple of novels. I think that by
 it there will be a great deal to do just the time you can you'll welcome a short ve-
 as soon as Garrison et al finish up in NO cation.... I fear the first thing we will
 and I believe NCIA & Fensterwald are the have to do is re-establish our bona fides,
 proper medium with which to continue hence and that it will be easier talked about
 if you can put me in touch with him I'd like then done...Bud's address is 927 45th St,
 like very much to come down for a day and Rm 612, D.C. Phone 347-3919....Your note
 were you able to come in town for lunch does not reflect what I expect and have
 that .. just to keep in contact I think is observed. Best be prepared for great un-
 important .. I have to work at designing pleasantness. We've been had as the fed.
 houses now very hard in order to get away gov't could not have done it. And, there
 27 March that's why I'm suggesting a quick was nothing we could do about it. I did
 trip by airplane and a contact with you as try, and I have been for a long time, at
 well as Fensterwald .. does this make sense great personal expense...If think for the
 to you ... I'm trying to be helpful and immediate future we'll have to play by ear,
 see what is the best move for the future maybe just sit and see what happens first.
