

# "THE TALK OF SAN ANTONIO"

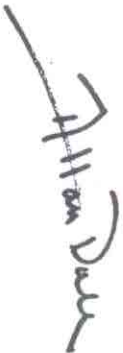

The most fascinating thing in the world today is PEOPLE.

Everybody is vitally interested in what PEOPLE do, what PEOPLE think and what PEOPLE say. "The Talk of San Antonio" gives PEOPLE a chance to listen to other PEOPLE and it gives PEOPLE a chance to talk to other People.

To paraphrase Abe Lincoln, "The Talk of San Antonio" is 'OF THE PEOPLE, BY THE PEOPLE AND FOR THE PEOPLE,' and I'm very happy to be the communicator for Radio 12's new idea in communications, "The Talk of San Antonio."

Listen . . . and call. Remember, the world may not listen to you but Allan Dale sure will . . . and so will thousands of PEOPLE!

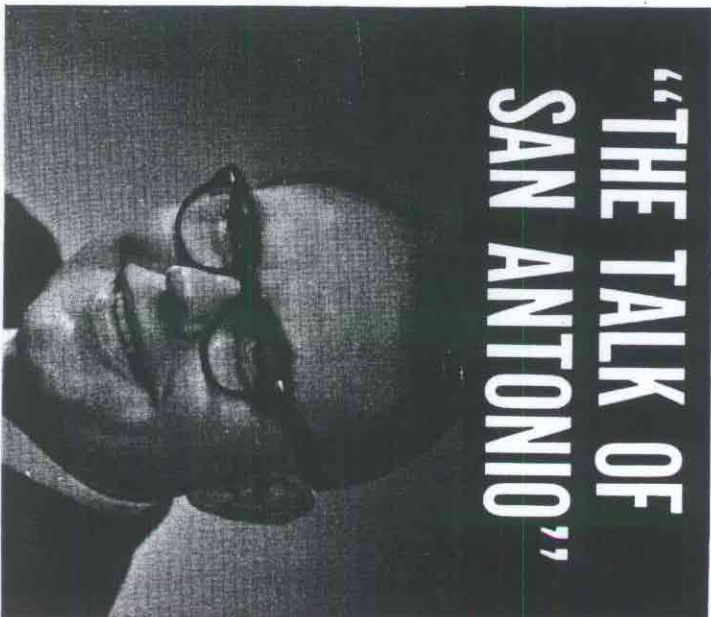

Thanks
