## Dear dian.

I lenve to be in fien lork city next wack. J'il phow you once I an located and toll you thare I'll be. I'21 give you the numer frow which I'll bo calling you or, if rou reiter, to numer at which you an phane twe
 hour haber then youss, thay 3m.

The tivins Is prottculary good, for I ara to ot an awent the nozt dey and wore will bs at press conference in connection with it. Thus, ix there is any aivention to the prese oonference that reachas dom to your territory, you rili have beon in advence o 0 it.

I bop. you win have bean able to read the book by twin. If you have not, as you Imon, aill you need do is point me and Itll 650 whezs $30 u$ want.

One line it hopa you will foed fue is Forcamp, bivi we ever had a confrontetion, have I evar heand from him, otc. I sxote him while doing the bock, told ind how it lonked to me, asted hin if he corld give pe any roason to feel othor than as I did, that it meamod he bad teken the case fuet to prevent a trial, ani he nover roplisu. I sent it certified and have the receipt, He was to have done a XV show in Hes Yoxir, to have bean tapad 3/18. Fie flew up from Texes, had hia makomp half on whan he lagmed he would be confronting na, and ho 2 led, helf made up. I did the show without ham. I yrote hing thoreapter, in mosponge to so rethiac less than menly threats that he hau 2 eit't bohind to be dilivered to me, although he was then but a fow feet down tho hall. He has not raaponded to that, ef.thar. He had sent me woxd that Jodxy if I know whit is good for me, I'd stey out of his way. In essence I told kit wh had different ooneeptes of what I considered good for we wh that I consdered the best way fon ae was to confront him in Liouston, where he'd not have to be taicinc a plane, under ony conditions ho elected. If you'va reed the book, he lonow hou littio chance there is of his over faccing me anwhere.

Reoentiy I referred soceonainterosted in the pistolerros to you. I've forgotiten who, but I'il nover Porget your atory.

I'm Iooking formand to this. I don't think we've ever dono a shou that waen't a good ohe, and Iresh and hot as this ixteriai is, I tijnic we can do ons of the best.

```
Sincerely,
```
