-UBJ	ECT:	ASSASSINATION OF PRESIDENT KENNEDY

It should be noted that on 11/22/63 at approximately 12:15 p.m. I was standing on the northwest corner of Field and Main Streets in Dallas, Texas. I was with United States Army Intelligence Agent ED COYLE who was at that time assigned to the Dallas office of the Army Intelligence. 'I had just finished a conference with this Army Intelligence Agent and an Agent of the Alcohol and Tobacco Tax Unit in the downtown area of Dallas, Texas, and at this time was on my lunch hour. Mr. COYLE and myself witnessed President KENNEDY pass this corner at approximately 12:15 p.m. We were standing on the street with the general crowd and no attempt was made to obtain any preferential place or view for this parade. Immediately following seeing President KENNEDY, I crossed the street to eat a sandwich for lunch.
