SAC DALLAS

SA PAUL E. WULFF

RE: ASSASSINATION OF PRESIDENT KENNEDY

I was on duty at Dallas, Texas on November 22, 1963, and was working with SA JAMES W. SWINFORD. We were working in northwest Dallas and sometime between 11:45 and 12:00 noon, we stopped at the Ramada Inn near Love Field to have lunch. Almost immediately after I parked the Bureau car, I observed the President's motorcade pass in front of the Ramada Inn. After having lunch and while on a route back to the Bureau car a man ran up to us and advised the President had been shot.
