Dear Mr. Weisberg,

Thank you for your continued interest in the JFK Collection. I regret that there has been a communication problem concerning the photographs that you need.

Upon their request I have forwarded the information regarding the photographs you requested to:

Raphaella Seroy
Managing Editor
Richard Gallen & Company Inc
260 Fifth Avenue
New York, New York 10001

In addition, David Perry has an appointment with me later today. I have worked well with David on several occasions and I am sure that we will be able to clarify your needs.

The photographs pricing is based on the number of photographs ordered. Smaller orders, less than three prints do not include the handling charges listed on the price list that I sent to you on February 3, 1994.

Please contact me again if you have any questions.

Sincerely,

Cindy C. Smolovik, CA
