## $12 / 26 / 70$

Dear Hary.
Twas the ndeht Ifter Xnas, and all through the house, one creatare was staryied - this ald boy couldn't sleep. So, at four e.en., I got up. While maicing a poi of coftee, I decided that before getting back to reading, chaiser, Id mite you. Lil again conemted on how long it has been slnce we' ve heard of you and youts yesterday, 30 know it is on her wind also.

While aaklite the coffee, I tured in an WEBN Chicago. They had an it tem on the corbined vabna-Cuast Gaurd rescue of thosc on the converted cutter, the
 description used to oweed by one of yout Dilas boys, a clothing mazufacturer, whose name $I$ recall as hornton or eose thing lik that. I have lone bellinved it is the boest Hall et all expected to eet.

So, ix anything appeared inyour papers on it and you can still get matever did appear, I'd be intenester. Especially in the nemes of thosi aboard, and of these, expecially the crew.

The archives has sent we the 1Lst of cos declaselfied in the 1970 review. I presunse you um succh elso fot them, but if not, 1 '11 supply. 1811 be golne over all these cocs, so If thece are may you want, let me know. If I hac the money, I'd get all of ther. I'Il mention this to 3ud. If we can smine It he can now get reroxes wate for about 46 each. In has fhund such a place in pC. Mita would reduce the coat to those who want conien, wil I thing that what was wer withhel: ought goan over with core. I do not believe any appeciable part of it was to protect the incocent. Of what I nave of the ferie does, this 18 not the cace.

Tre envelope I'a wine la an old one, pert of neveral pocikete lil had bought before we were marcied for twas mards she made. Oound them advaral sajs ago, when \& gient about an hour in that inending job of trying to cleen up the
cellar. As jua kiow. I now use everythang. Tre stichurs is pooped out, so the Scotioh tape $1 s$ 日inc.

We do hope your long silence is not because you are so deep in terious problems.

I've hot beon able to keop you posted on averythinc. I've made requents for the Powell tuterial of $3 J$ and hrmy ( have you gnythtne but the two YBI pi rpts and the one from SEf I hive 220 from CD200, CD354:1009, evy229:58. I've asiced for the pictare und if there were wore than one and the report(o). Let you tiow.

Have a orod yeur-all of you.
