Dear Harold - Enclosed are the documents received thus far on SOUETRE. The CIA is being very uncooperative with regard to this man... my FOI is now 15 months old. Any help on your part will be appreciated.

As to the Thomas Eli Davis, III I mentioned -- he was allegedly arrested in Morocco or Algeria ~~shortly after~~ <sup>shortly after</sup> the assassination. He is also said to be a partner with Ruby and a cohort of the Cuban-exiles/anti-Castro element in Fla., La., and Cal.

Thanks and best regards -
